ABOUT İKÇÜ

İzmir Kâtip Çelebi University is a public university established in accordance with the Law No. 6005 on "Higher Education Institutions Law, The Amending of Some Laws and Decree Laws" which was published in the Official Newspaper No. 27648, adopted on 14.07.2010. It continues to serve for 10 years with 13 faculties, 1 school of foreign languages, 2 vocational schools of higher education, 3 graduate schools, and 20 research and application centers.

SPORTS FACILITIES

Our university has Football, Futsal and Basketball teams. In addition, there are İKÇÜ chess teams, volleyball women, volleyball men, tennis women, tennis men, table tennis women, table tennis men, badminton women and badminton men teams. There is an Olympic size swimming pool, artificial football field (astroturf), basketball and football fields within the university and they are offered to our students, administrative and academic staff.

OUR GOALS

In order to increase the welfare of humanity; our main goals are to conduct scientific researches, to raise individuals who are competent in professional and academic fields and also equipped with basic values, to present the produced values to the economic environment and to provide knowledge to the service of society. It is our priority to raise individuals who work in close cooperation with civil society, industry and business circles that will enable the information produced with a view prioritizing social responsibility to turn into concrete outcomes, aiming to develop their region, country and humanity.

OUR FUNDAMENTAL VALUES

We have an understanding of a participatory, transparent, accountable administrative structure, environmentally conscious as well as aesthetic, without deviating from the principle of sustainability, and attaching importance to merit and high quality. Our university values original scientific projects and activities related to public-university-industry cooperation in order to ensure continuity of learning and develop innovative aspects. İKÇÜ conducts all its processes within the framework of national and internationally accepted professional ethics, behavior and principles depending on moral values.

INTERNATIONAL COOPERATIONS

İKÇÜ, which prioritizes internationalization in all areas, has student and academic staff exchange program agreements with 71 universities from 16 different countries. 594 foreign students from 82 different countries study at İKÇÜ. Exchange programs are encouraged through Erasmus, Mevlana and bilateral protocols, and students are guided for these programs. Particular importance is given to programs supported by national institutions, the European Union and International funds.

ACCOMMODATION

There are separate dormitories for male and female students in the İKÇÜ campus affiliated to the Higher Education Credit and Hostels Institution.
